2 FAM 633 AWARD ARTICLE II— PERFORMANCE

(*TL:GEN-299; 05-30-2000*)
(*Uniform State/USAID*)

a. The recipient certifies that it has the capability to plan, organize and make all the arrangements necessary to carry out the educational activities and projects in connection with the award.

b. The recipient certifies that adequate progress can be made to initiate the obligation of each line item specified in this award *within the award period*.

c. The recipient agrees, as a condition of receiving this award, to accept as students, at no more than the school's normal tuition rates, all dependent children of *U.S.* citizens engaged in carrying out *U.S.* Government activities who request admission and are able to meet the school's standards of admission.

d. The recipient warrants that no person or selling agency has been employed or retained to solicit or secure this *award* upon an agreement or understanding for a commission, percentage, brokerage or contingent fee. For breach or violation of this warranty, the *U.S.* Government shall have the right to annul this *award* without liability or at its discretion to deduct from the amount of the award or otherwise recover the full amount of such commission, percentage, brokerage or contingent fee.

e. The recipient shall not, except with the consent of the post and the Department (A/OPR/OS), transfer or assign any part of the sum made available, hereby to another individual, institution or organization for the performance of the functions, duties, or obligations assumed herein by the recipient.

f. The recipient agrees that in connection with transportation paid for with funds made available under this agreement, all travel will normally be performed in accordance with Federal travel regulations. In extenuating circumstances which must be justified in writing by the recipient, travel may be performed as specifically authorized in advance by the Department (A/OPR/OS). The recipient shall ensure the use of U.S. flag airlines unless they are not available or their use is not feasible, and such funds may be used only to provide less than first-class accommodations.

g. The funds provided pursuant to this award shall be disbursed by the embassy through reimbursement for direct costs incurred (excluding any of the recipient's overhead expenses) by the recipient in carrying out the aforementioned approved purposes and within the maximum time limitation set forth in Item 9 of the Federal Assistance Award (Form DS-1909). Reimbursement will be limited to direct costs for which obligations for said purposes are incurred by the recipient from and after the effective date of this *award unless pre-award costs have been approved by the Department*. No indirect costs will be reimbursed under this award.

h. In the event that the time prescribed should prove insufficient for the recipient to perform the purposes listed in the budget/purposes attachment of the award, A/OPR/OS, upon the request from the school and concurrence by the post, may *initiate a one-time extension of the expiration date of the award for up to 12 months*. The recipient is responsible for ensuring that requests for extension of periods of the award are submitted to the post sufficiently prior to the expiration date shown in Item 9 "Award Period" of the Federal Assistance Award (*Form DS-1909*), to allow for processing by the post and A/OPR/OS. Extension will be effective on the date the appropriate school official signs the Amendment to Federal Assistance Award, Form DS-1909A, which A/OPR/OS has prepared and sent to post.

i. If the recipient fails to abide by any of the conditions set forth in this award or if the *U.S. Government* deems it in the best interest of the United States to terminate this award, the *U.S. Government* may so terminate it by giving the recipient no less than ten days' notice in writing, except in case of emergencies. In the event that this award is terminated, the recipient shall immediately terminate any contracts or other obligations which it may have entered into and shall return to the *U.S. Government* any balance of funds received from the *U.S. Government* which is unused and found to be unnecessary to liquidate outstanding obligations.

j. Nothing contained in this award shall be construed as creating a contractual relationship between the U.S. Government and any person, contractor or subcontractor employed or retained by the recipient.

k. The recipient agrees to maintain a responsibly-governed institution which is organized in accordance with accepted practices for schools of its type, with final authority over policy, finances and other fundamental aspects of administration duly vested in a competent board of responsible persons, including representation by *U.S.* citizens.

l. The recipient, through the exercise of sound management and fiscal policies by its governing body, agrees to follow financial policies which give reasonable certainty that the school will be capable of sustaining operations out of tuition or other school income.

m. The recipient agrees to endeavor to offer a well-rounded program of studies in which instruction is provided in the English language, and will endeavor to maintain teacher and academic standards which approximate in quality those in comparable public elementary and/or secondary schools in the United States.

n. The recipient agrees to offer the type of curriculum and instruction which will reflect *U.S.* theory and practice in education to the most reasonable extent practicable in consideration of:

- (1) The location abroad;
- (2) Local laws and regulations; and
- (3) The needs of the student body as a whole.

o. The recipient agrees that, when *U.S.* citizens are considered for employment, the recipient will not discriminate against any employee or applicant, because of race, color, religion, sex, national origin, or mental or physical handicap.

2 FAM 634 AWARD ARTICLE III—PAYMENT

(TL:GEN-299; 05-30-2000)
(Uniform State/USAID)

a. Except as provided for in 2 FAM 634, *paragraph c* below, reimbursement of expenditures incurred pursuant to this award shall be effected through the presentation by the recipient to the post certifying officer of a voucher or *other request for reimbursement*, listing expenditures for which reimbursement is claimed, accompanied by supporting documentation.

b. The recipient must submit *requests* for the reimbursement of funds expended pursuant to the award no later than six (6) months from the expiration date of the award.

c. The post, upon request of the recipient, may make an advance of an amount, not to exceed two months' estimated costs. If an advance is made, in accordance with Circular A-110, Subpart C, Article 21(b(7)(d)), a blanket fidelity bond or other security acceptable to the post and the Department may be required. The post will reimburse the recipient, upon receipt of a properly documented request, an amount equal to reported expenditures which when added to the initial advance equals the total amount available under the award. Thereafter, requests for reimbursement for expenditures submitted by the recipient will not be reimbursed but will be applied to liquidate the remaining outstanding advance. In the event that the total amount of subsequent vouchers is insufficient to liquidate the amount of the outstanding advance, the recipient will refund the difference to the *U.S. Government*.

2 FAM 635 AWARD ARTICLE IV—FINANCIAL ACCOUNTABILITY AND REPORTING

(TL:GEN-299; 05-30-2000)
(Uniform State/USAID)

a. The recipient shall, where practicable, *deposit* all advanced funds provided under *U.S. Government awards in an insured bank account*, regardless of the authority under which the funds are granted. The recipient shall, however, maintain a separate accounting record for each award.

b. The recipient agrees not to furnish, advance, lend, pledge, or otherwise divert awards, credit or property made available by the *U.S. Government* to other operations of the recipient or other persons or institutions except as approved in advance by the post and the Department (A/OPR/OS).

c. The recipient agrees that the post, Department (A/OPR/OS), the Office of the Department of State Inspector General, and/or the Comptroller General of the United States, or any of their duly authorized representatives, shall have access to and the right to examine any books, documents, papers, and records of the recipient pertaining to the purposes of this award during the term of this award. Furthermore, the recipient shall maintain such records until the expiration of three (3) years after final or terminal payment under this agreement. During this period the post, Department, or the Comptroller General of the United States shall have access to and the right to examine such records.

d. Within the total amount specified in the award, the individual line items set forth in the budget/purposes attachment of the award may be increased or decreased in such a way as not to change any of the amounts set forth by more than twenty percent (20%) and only after written approval of the post is received by the recipient; the post shall send one copy of such approval to the Department (A/OPR/OS). If percentage changes greater than twenty percent (20%) are required, the prior written approval of the Department (A/OPR/OS) shall be obtained. In no event, however, may the total amount of the award be exceeded. Following the request of the school, concurrence by the post and approval by A/OPR/OS, A/OPR/OS will prepare amendment document DS-1909A to modify the line items. The post will obtain the signature of the appropriate school official, return one original copy to A/OPR/OS and distribute the remaining copies in accordance with 2 FAM 615, paragraph b(6) and other accompanying instructions.

e. The purposes described in the budget/purposes attachment of the award, cannot be changed unless approved in advance by the Department (A/OPR/OS).

f. In the event any of the funds advanced by the post to the recipient are not obligated by the date of *completion* of this award, such funds shall be returned by the recipient to the U.S. Government, except as provided for in Article II, paragraph h, above.

g. When dollar funds provided under this award are to be converted to local currency before disbursement to the recipient, as determined by the post, such conversion shall be made by the appropriate post disbursing officer.

h. The recipient shall not receive U.S. dollars for carrying out the purposes of this award in any country in which the post disbursing officer holds foreign currencies in excess of the needs of the U.S. Government, except where U.S. dollars are required to carry out the purposes of the award. The recipient shall receive all such currencies solely from the post disbursing officer at the rate of exchange used by such officer at the time of disbursement.

i. To the extent that the recipient expends funds provided by this award for purposes not authorized by the award as determined by the U.S. Government, it shall promptly refund or pay to the U.S. Government funds equal to such unauthorized expenditures.

j. In the event the recipient must liquidate its operation and is unable to carry out any of the purposes of this award, all unexpended balances of funds *advanced* by the U.S. Government under the award shall be returned to the U.S. Government. All non-expendable personal and real property procured or otherwise acquired by the recipient with funds made available by the U.S. Government under the award will be disposed of in a manner mutually agreed to by the U.S. Government and the recipient.

k. The recipient shall submit the following *reports* to the post for transmittal to the Department (A/OPR/OS):
