## **12 FAH-7 H-210 FACILITY PROTECTION DIVISION**

*(TL:LGP-01; 08-10-2001)*

### **12 FAH-7 H-211 FACILITY PROTECTION DIVISION RESPONSIBILITIES**

*(TL:LGP-01; 08-10-2001)*

a. DS/CIS/PSP/FPD is the program office with the responsibility of reviewing all mission local guard programs (LGPs), including surveillance detection programs (SDPs). DS/CIS/PSP/FPD approves the program content, prepares and manages the worldwide budget, and provides funding (or allotment authority) for the implementation of mission security programs, including residential security and surveillance detection. This office also functions as the focal point for all activities needed in support of the mission's LGP. DS/CIS/PSP/FPD will coordinate with other elements of DS, other bureaus, (i.e., A/OPE, L/LM/DS for contract administration and solicitation and/or award process), and other agencies as the need arises. DS/CIS/PSP/FPD is composed of program and budget officers.

b. The Department's LGP is managed through the Chief of the Facility Protection Division (DS/CIS/PSP/FPD).

c. DS/CIS/PSP/FPD develops policies and procedures, responds to requests for information from missions, prepares statistics, and monitors disbursement of funds for the LGP worldwide. It is also responsible for:

- (1) Assisting in training RSOs, PSOs, and others in Washington and abroad;
- (2) Approving program content and program changes;
- (3) Monitoring the implementation of program contracting and assisting in the development of solicitations for guard services and contracts;
- (4) Providing assistance in the design and implementation of programs, utilizing technology where possible;
- (5) Conducting program and financial reviews to ensure that minimum LGP and residential security standards are met at posts;

- (6) Allocating funds for posts' LGPs;
- (7) Coordinating LGP issues within DS, other Department offices and bureaus, and other foreign affairs agencies.
- (8) Assisting RSO and/or PSOs in determining the need and level of protection to be provided to residences; and
- (9) Providing assistance in the establishment and operation of programs for surveillance detection.
